Whistle Blowing Policy and Procedures

1. POLICY STATEMENT

Sin Heng Chan (Malaya) Berhad (“SHCMB” or “the Company”) is committed to achieving and maintaining high standards of integrity and accountability in regards to all aspects of its business and operations. All employees and stakeholders (i.e. shareholders/ suppliers/ customers) are encouraged to report genuine concerns about any wrongdoing without fear of reprisal should they act in good faith when reporting such concerns.

SHCMB views any harassment or retaliations in any form or manner against genuine whistleblowers seriously and will treat such action as gross misconduct, which if proven, may lead to dismissal.

This policy and procedures are applicable to all companies within SHCMB Group.

2. OBJECTIVES

This policy aims to provide an avenue for all employees and stakeholders of the Group as well as members of the public to disclose any wrongdoing in accordance with the procedures under this Policy and to provide protection for those who report such allegations.

This policy is designed to provide the following:

- a) Support to the Company’s commitment to integrity, accountability and ethics in carrying out its business and operations
- b) A clear and confidential process for all parties involved to provide information on any wrongdoing in relation to the Company’s Code of Ethics, Whistleblowing Policy, Anti-Bribery and Corruption Policy, or other applicable laws and regulations
- c) A transparent and efficient framework to investigate the allegations and to take appropriate actions

3. PRINCIPLES

The principles underpinning the policy are as follows:

- All concerns raised will be treated in a fair and proper manner;
- The Company will not tolerate harassment or victimization of anyone raising a genuine concern;
- Any individual making a disclosure will retain anonymity unless the individual agrees otherwise;
- The Company will ensure that any individual raising a concern is aware of who is handling the matter;
- The Company will ensure no one will be at risk of suffering some form of reprisal as a result of raising a concern even if the individual is mistaken. The Company, however, does not extend this assurance to those who maliciously raise allegations which he/she knows is untrue.
