RRPT Mandate

1.0 INTRODUCTION

On 22 April 2024, the Board announced that the Company has proposed to seek its shareholders' approval for the renewal of existing shareholders' mandate for RRPTs of a revenue or trading nature ("Proposed Shareholders' Mandate") pursuant to Paragraph 10.09 of the MMLR.

The purpose of this Circular is to provide you with the relevant information of the Proposed Shareholders' Mandate and to seek your approval on the resolution pertaining to the Proposed Shareholders' Mandate to be tabled at the forthcoming AGM, which will be held virtually and entirely via remote participation and voting at the Broadcast Venue: Board Room of SHC, Level 3, Wisma E&C, No. 2, Lorong Dungun Kiri, Damansara Heights, 50490 Kuala Lumpur, Wilayah Persekutuan on Wednesday, 29 May 2024 at 10.00 a.m.

2.0 RRPT MANDATE

2.1 MMLR

Paragraph 10.09 (2) of the Listing Requirements, states a listed issuer may seek a mandate from its shareholders for Recurrent Related Party Transactions subject to the following:

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (ii) the shareholder mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholder mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (iii) the issuance of a circular to the shareholders by the listed issuer;
- (iv) the interested Directors, interested Major Shareholders or interested persons connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolutions to approve the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and

Paragraph 10.08 of the Listing Requirements requires the Company to announce each related party transaction where any percentage ratio is 0.25% or more. Where any percentage ratio is 5% or more, we are also required to obtain the Company's shareholders' approval for the transaction in general meeting and appoint an independent adviser before agreeing to the terms of the transaction.

It is envisaged that in the normal course of the Group's businesses, Recurrent RPTs between SHC Group and the Related Parties are likely to occur, and which are necessary for its day-to-day operations.

In this respect, the Directors are seeking approval from shareholders to allow the Group to enter into Recurrent RPTs with the Related Parties (as described in Section 2.2.1) provided such transactions are made at arms' length on SHC's normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of SHC.

The RRPT Mandate is subject to annual renewal. In this respect, authority conferred by the RRPT Mandate shall take effect on 29 May 2024 being the date of the 62nd AGM and shall continue in force (unless revoked or varied by the Company in general meeting) until the conclusion of the next AGM of the Company; or the date by which the next AGM is required by law to be held, whichever is earlier.

2.2.2 Review and Disclosure Procedures

Our Group has in place procedures to ensure the proper identification and reporting of RRPT, and ultimately, to ensure that RRPT are conducted on arm's length basis, at prices and terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders of our Group. The procedures are as follows:

(a) Limits of authority

Where the value of the transaction is equal to or exceeds RM3.0 million, it will be reviewed by our Audit Committee which will, if thought fit, recommend to our Board for approval.

Where the value of the transaction is below RM3.0 million, it will be subject to the approval of any one of our Directors who is not interested in the transaction. Our Audit Committee need not review such a transaction at the point the contract is entered into but it must be tabled to the Audit Committee for review on a quarterly basis.

(b) Monitoring the RRPT

To enable our Audit Committee to review and monitor the RRPT, a report on the RRPT will be made by our senior management to demonstrate the price competitiveness of services or goods procured or provided for our Audit Committee's consideration.

We will also maintain a register to record all the RRPT which are entered into by our Group under the shareholders' mandate and this register will be made available to our Audit Committee for its quarterly review.

(c) Business practices and policies

Under our Group's business practices and policies on RRPT, our management will need to assess the following commercial matters before entering into RRPT with the related parties:

- (i) for the sale or supply of goods and provision of services to a customer, in the ordinary course of business:
 - (aa) the financial ability and payment track record of the customer; and
 - (bb) whether the past experience and working relationship with the customer has been satisfactory.
- (ii) for the receipt of goods or services from a vendor/service provider, in the ordinary course of business:
 - (aa) whether the vendor's or service provider's prices for the goods to be procured or received by our Group are similar to or lower than those which may be offered by unrelated third parties;
 - (bb) whether the other terms are not more favourable to the related party than those extended to unrelated third parties and available to the public and not detrimental to our minority shareholders;
 - (cc) the standard and quality of the goods/services and whether they meet the requirements of our Group; and
 - (dd) the responsiveness and level of service provided by the vendors or service providers and whether past experiences and working relationships have been satisfactory and also if the vendors or service providers have sufficient resources to perform their obligations.

(d) Contemporaneous transactions

The RRPT only involves the cooling energy which is within the nature of business of the Group. The Company does not seek for contemporaneous transactions with unrelated third parties for the project transaction which is not commonly available in the market.

The price and terms of the RRPT will follow applicable industry norms and prevailing commercial rates for similar transactions to ensure that the RRPT rates are not more favourable to the interested related parties than those generally available to the public and are not detrimental to our Group or minority shareholders.

(e) Audit Committee's discretion to take further action

Our Audit Committee may, if it considers necessary, instruct our internal auditors to carry out a review of any or all of the RRPT to ascertain that the guidelines and procedures established to monitor the RRPT have been complied with. If a member of our Audit Committee has an interest in a transaction and the transaction must be reviewed by our Audit Committee, he will abstain from all deliberation and decision making on such transaction.

If during a periodic review, our Audit Committee is of the view that the above procedures are no longer sufficient to ensure that RRPT are undertaken on an arm's length basis and on normal commercial terms that are not more favourable to the related party than those normally available to the public, our Audit Committee may implement additional procedures for RRPT. The additional procedures may be implemented without the approval of our shareholders, provided that they are more stringent than the existing procedures.

2.2.3 Audit Committee's Statement

Our Audit Committee has seen and reviewed the procedures mentioned in Section 2.2.2 and is of the view that:

- (a) the procedures established are sufficient to ensure that the RRPT are entered into:
 - (i) on terms not more favourable to the interested related parties than those generally available to the public; and
 - (ii) are not to the detriment of the minority shareholders; and
- (b) our Group has in place adequate procedures and processes to monitor, track, and identify RRPT in a timely and orderly manner. These procedures and processes are reviewed by our Audit Committee on a quarterly basis or whenever the need arises.

2.2.4 Disclosure

The Company has disclosed the details of renewal Recurrent RPTs conducted during the financial year ended 31 December 2023 in its Circular to Shareholders in accordance with Section 3.1.4 of PN12.

Disclosure of the same will be made in the annual report of the Company for the next financial year during which the Proposed Mandate is in force, providing among others, the following information:

- (a) type of Recurrent RPTs; and
- (b) names of Related Parties involved in each type of Recurrent RPTs and their relationships with the Company.

2.3 RATIONALE FOR RRPT MANDATE

The Recurrent RPTs are carried out in the ordinary course of business. They are recurring transactions of a revenue or a trading nature which are likely to occur with some degree of frequency. These Recurrent RPTs may be time sensitive by nature, making it impractical to seek shareholders' approval on a case-by-case basis before entering into such RPTs. As such, the Board is seeking the RRPT Mandate under Paragraph 10.09 of the MMLR for these Recurrent RPTs so as to facilitate the efficiency with which these transactions are carried out.

By obtaining the RRPT Mandate and renewal of the same on an annual basis, the necessity to announce and/or convene separate general meetings to seek shareholders' approval as and when such Recurrent RPTs occur would not arise. This would substantially reduce administrative time and expenses associated with the convening of general meetings on an ad hoc basis, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available therein.

The Recurrent RPTs to be entered into by the Group as detailed in Section 2.2.1 is anticipated to continue to meet the Group's business needs on good terms and in the long-term interest of the Group.

2.4 EFFECTS OF RRPT MANDATE

The RRPT Mandate is not expected to have any effect on the share capital, NA, earnings, and shareholding structure of SHC.

2.5 APPROVAL REQUIRED

The RRPT Mandate is subject to the approval of shareholders at the 62nd AGM.

3.0 INTERESTS OF INTERESTED RELATED PARTIES

Save as disclosed below, none of the other Directors, Major Shareholders or person(s) connected has any interest, direct or indirect, in the RRPT Mandate.

The direct and indirect shareholdings of the Interested Related Parties in SHC as at LPD are as follows:
